

PUEBLO OF LAGUNA
JOB ANNOUNCEMENT NO. 2018-70

OPEN TO IN-HOUSE and EXTERNAL APPLICANTS

POSITION:	Supervisory Public Health Nurse
OPENING DATE:	May 15, 2019
CLOSING DATE:	Open Until Filled
DEPARTMENT:	Community Health and Wellness
SALARY RANGE:	E-16; \$51,736 – \$77,645

Position Summary:

Under the general direction of the Director, the Public Health Nurse provides quality nursing care, medical care, and education to meet assessed needs of the community. Utilizes the nursing process of assessing, diagnosing, planning, implementing, and evaluating patient care. Oversees work of nursing staff; assures scope of work compliance. Consistently applies the Pueblo's Core Values in support of Workforce Excellence. Maintains confidentiality of all privileged information.

This list of duties and responsibilities is illustrative only of the tasks performed by this position and is not all-inclusive.

Essential Duties & Responsibilities:

- Responds to self-referrals for assessment of symptoms of illness and to referrals by other medical service providers for patient aftercare.
- Develops holistic patient care plans to address assessed needs.
- Provides medical guidance, emotional support, motivation, and education (including patient's right to make independent decisions) to manage and coordinate care for chronic health conditions and diseases.
- Documents and maintains comprehensive patient care records in accordance with established standards.
- Reviews patient care records developed by assigned staff; determines quality of care and services provided to patients/clients; ensures compliance with established care plans.
- Reviews patient care records and other documentation developed by assigned staff to ensure compliance with grant(s) and/or program reporting requirements.
- Conducts home visits to administer care including vital screenings, wound care management, immunizations, and assessment of social environment.
- Coordinates case management and care coordination meetings.
- Evaluates status of patient; consults with physicals and/or other medical providers for revision of care plan if required. Initiates referrals as necessary to other resources.
- Coordinates Public health incident and emergency responses.
- Maintains an updated and secure medical supply inventory. Accurately records and reports non-functioning equipment and any loss of supplies.
- Plans and develops community health initiatives in collaboration with medical care providers, patients, and other relevant programs.
- Consults with local schools regarding student- based health needs and coordinates in provision of assistance and services.
- Reviews and evaluates program operations to determine impact and effectiveness; provides recommendations for expansion, adjustment, and/or improvements in services. Ensures the implementation of recommended changes.
- Supervises/manages the day-to-day operations of nursing staff within the department.
- Conducts performance evaluations of staff, recommends disciplinary actions, staff changes, or reassignments.
- Improves staff effectiveness by coaching, counseling, training, and modeling.
- Compiles data and services delivery reports; develops other required narrative and statistical reports.
- Documents patient information and services provided in Problem Orientated Medical Record (POMR) format.
- Maintains required certifications, licensure, clearances, professional and technical knowledge by attending relevant training, conferences and seminars.
- Responds to emergency management operations as designated by the Emergency Operation Commander EOC.

Job Announcement No. 2018-70 Supervisory Public Health Nurse
